**CLARIFICATION OF 2.6 CONTRACTOR RESPONSIBILITIES:**

**QUESTION:**

What do you mean by continues to be DOT qualified at all times during the term of this agreement? Does monthly review of MVR and replacement in the contractor's random drug pool satisfy your requirement? If a driver has a warrant for his arrest due to non payment for a violation is he now a DOT non-qualified driver?

**ANSWER:**

Drivers are subject to the same checks and expectations as MoDOT employees in regards to being DOT qualified to drive and random drug screenings. As with MoDOT employees, if the contract worker's driving privileges change for any reason, they are responsible for notifying their employer which in turn should notify us of the change or take them off their list of eligible workers.

**QUESTION:**

Does this mean that if a driver operates a vehicle illegally ( suspended licese, warrant for arrest for whatever reason, etc) and an incident occurs the contractor bears full liability and responsibility including no compensation for services provided?

**ANSWER:**

No driver will be allowed to operate any MoDOT vehicle illegally, it is the responsibility of the contractor to be certain that all criteria has been met before allowing someone to drive our

vehicles. If there is an incident while operating the vehicle, then that situation will be evaluated and determine fault at that time.

**QUESTION:**

There can be no automobile liability insurance provided as this is the responsibility of the vehicle owner which in this case is MoDOT.

**ANSWER:**

That is correct, this is standard language, contractor must have all other insurance requirements.
